

Product change notification

Products affected:  OMNIGene:GUT

Catalog numbers/SKUs: OMR-205, Customizations that include OMR-205

Effective date of change: September 2024

Change description:

To improve product supply to customers, DNA Genotek is changing suppliers for their plastic cap product components. In addition, the new purple cap will no longer feature the DNA Genotek name. The change impacts OMNIGene™:GUT (OMR-205) devices and will be in effect for all affected products with a manufacturing date after September 8, 2024.

Current

New (starting September 2024)
